

**timid (adj.):** ترسو، بزدل

At first, I was kind of timid, but now I may as well use it to my advantage.

**distinct (adj.):** واضح، روشن؛ متفاوت

There are three quite distinct types of lavender.

**reckless (adj.):** بی احتیاط، بی ملاحظه

It is our case that he was reckless and negligent in the way he drove.

**collusion (n.):** تبانی، همدستی

Perhaps we might, for the first time, see collusion between the baseball owners and the Players Union.

**frugal (adj.):** صرفه جو؛ مختصر

He even started working full-time and being extra frugal with his money.

He told us that frugal meals were best for people and that delicious food was our enemy.
