

congenial (adj.): مطلوب، مطبوع، دلخواه

He devoted these years to philosophy, writing, and the company of a circle of congenial friends.

strive (v.): تلاش و کوشش کردن؛ مبارزه کردن، کشمکش کردن

Any community that meets resistance always strives harder to prove its worth and value to society.

This left a very tense closely fought final set with both teams striving to win out.

soothing (adj.): تسکین دهنده، آرامش بخش

Nothing, you think, could be more soothing than a warm spring day in a peaceful city.

benefactor (n.): خیر، آدم نیکوکار

All of this has been made possible by the generous contributions of many benefactors at home and abroad.

vulgar (adj.): زشت، بی ادب؛ عامیانه

The poet who was so courtly and gentle in his verse could be coarse and vulgar in his everyday speech.
