

salvage (n., V.): نجات، نجات دادن

Rescuers found 80 bodies trapped in the hull when they salvaged the boat from the riverbed.

ambiguity (n.): ابهام، گنگی

In my opinion, since there is no ambiguity or uncertainty, the application of this rule does not arise.

aggravate (v.): بدتر کردن؛ خشمگین کردن

'Your dangerous and aggressive driving was intentional, this seriously aggravates the offence,' Judge Haworth said.

People would find me here, weeks later, pale and thin, but worry free and careless, aggravated to be pulled from my hiding place.

warily (adv.): محتاطانه، با احتیاط

Warily, he reached out and turned the knob, easing the door open.

stigma (n.): لکه(ننگ)، بدنامی

For generations, people who suffer with mental illnesses have had to endure a terrible stigma.
