

Interference (n.): دخالت، مداخله

The prime minister said: 'The Home Office have already made it clear that no political interference has taken place in this case.'

Replicate (v., n.): کپی کردن، نسخه ثانوی کسی یا چیزی بودن، همانند سازی

Perhaps they replicate each other and work together on occasion, but their roles are different.

Young reptiles should not be considered merely small replicates of adults.

Coerce (v.): وادار کردن، مجبور کردن

Have you been coerced into giving this confession by any government agency or official?

Gregarious (adj.): اجتماعی، معاشرتی، (گروه دوست: برای حیوانات)

Although most people characterize O'Kane as extremely sociable and gregarious, he is also described as 'a workaholic'.

American White Pelicans are highly gregarious and breed in large, dense colonies.

Inept (adj.): نالایق، بی عرضه

He visits his old office, tries to help out, but feels like he left the work in inept hands.
