

provocative (adj.): بحث برانگیز؛ عصبانی کننده

I was very pleased to be asked to comment on the engaging and provocative articles in this volume.

cite (v.): ذکر کردن، استناد کردن

His work has been cited in the professional literature about 1300 times.

assiduous (adj.): با پشتکار، سخت کوش، هشیار (دقیق)

Plus, being an assiduous multi-tasker, he had other things he needed to accomplish on this record.

dearth (n.): کمبود، کمیابی

These failures can be partially attributed to a lack of political will and a dearth of resources.

veracity (n.): صحت، درستی، صداقت

If anyone doubted the veracity of his research or the authenticity of his photographs, he would fly into a violent rage.

durable (adj.): بادوام، مانا

Cloth bags are sturdier and more durable than either plastic bags or paper bags, and are also very environmentally friendly.
